TIPS & ADVICES

BE OPEN FOR CORRECTIONS

Don't be afraid or take it negatively when people tries to correct you. Think of it as a way of learning and improvings.

GIVE TEN TIMES OF YOUR EFFORT

Do not just be active on projects but do ten times more than the students around you

ENJOY THE DIFFERENCES

The difference in culture and its variety may give you a shock but don't be afraid. Take it as a chance to broaden your mind.
